

The university has implemented a process that requires all students to agree to and accept a Student Financial Responsibilities Agreement. This agreement is housed in Self Service. An unsigned agreement will prevent registration for new courses or change any current registration.

Upon entering Plan & Schedule, the following message will appear in Red on the top right of the screen

The message directs you where they can see and accept the agreement.

DELAWARE VALLEY
UNIVERSITY

Under Action, choose view then the agreement opens.
